Hiring Manager,

This letter serves as a formal expression of my deep interest in the Software Engineering Internship at your company, as advertised. I am excited to contribute to your company's goal of empowering individuals and organizations worldwide to achieve more. I bring my computer science background, hands-on software development experience, and passion for innovative solutions.

My academic focus at Seattle Pacific University is on Computer Science with a minor in Data Analytics, where I have dedicated my studies to primary object-oriented programming, algorithms, and data structures. Among my experiences, I have developed a QR Code Generator and a Tic Tac Toe game in C++, showcasing my ability to apply engineering principles to solve intricate problems. My involvement in an Open Source AI Hackathon hosted by Microsoft gave me valuable experience in working with diverse teams to create practical applications.

What attracts me to your company is the chance to work with state-of-the-art technology in a supportive and inclusive atmosphere. I am excited to be a part of projects that push the limits of innovation and allow me to learn from the industry's most brilliant minds. My aptitude for quickly adapting to new technologies, along with focusing dedicatedly on product quality and customer satisfaction, aligns perfectly with your team's objectives.

I believe that my technical expertise and strong enthusiasm for software engineering make me a highly qualified candidate for this internship. I am excited about the opportunity to talk about how I can contribute valuably to your team. I appreciate you taking the time to review my application. I am excited to contribute my passion, expertise, and commitment to your company.

Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to the success of your company. Please contact me at 360-356-8164 or shahzahans@spu.edu to arrange an interview.

Sincerely,

Shadman Shahzahan
